

MATRIX ADHESIVES GROUP OPENS NEW HEADQUARTER LOCATION

October 15, 2023 – Matrix Adhesives Group (“Matrix”), a leading North American adhesive and sealant manufacturing and packaging platform, has established its corporate headquarters in Columbus, Ohio. Previously, Matrix’s headquarters was co-located with its private equity owner, Goldner Hawn in Minneapolis, MN.

“We are excited to announce our new headquarters in Columbus. This is a strategic move that will allow us to better serve our customers, expand our reach, and access the deep talent pool in Central Ohio,” said Dennis Johnson, CEO and President, Matrix Adhesives Group.

Matrix was founded in 2021 and has since acquired 5 companies to add to their portfolio of companies. This location was identified and developed due to proximity of its customer base, the current portfolio facilities, and its executive team. The headquarters will welcome customers for collaboration and growth discussions and invest in the training of its growing internal teams.

“Establishing our headquarters, geographically between our plant locations and customers, is a commitment to growth. This location provides us with greater visibility and dedicated space to better serve our customers,” said Laura Posadas, Chief Commercial Officer, Matrix Adhesives Group. “We look forward to welcoming our clients to our new location for business reviews and to learn more about our products and services.”
